

"Davis"

when I was checking Census (1850) in ^{Oct} Harston Co. besides Zachariah Davis' family on pg 353 Line 7.

I found on pg 350 Lines 129:

Davis, John C.	48 yrs farmer from N.C.	Property Value \$1200. ⁰⁰
Martha	48 f.	Da.
Lucretia Fern	26 f.	"
Davis, Elisha	18 m.	N.C.
Sarah	13 f.	Da
Maura	11 f.	"
Owan	9 f.	"

Wonder if this could be an older brother or Uncle??

Charlie Davis known for "taking off" Warts - just rubbed them, or run his hand over them - within a few days they were gone. (never really was aware when they left)

After Tommie Lee was born (colored) "Aunt Mandie" and ? husband, lived in little house out from old home place while Martha & Charlie worked in the field, Mandie cared for Tommie Lee, nursing her along with her own baby.

This house set closer to the main house under high oak tree - was moved by rolling it on logs to its last place. Jesse Davis (Pink's bro) and 2nd wife Mary Shabam, sister to Martha, lived there a while. (Beadie was Jesse's dau's Mellie - Sandie -)

Mr Victor: Jesse was 1st mtr. married Mary - she was very young.
