15 Highway 257 is the Chicken Road.
Lot 298

Go back to ①. The road going in to the West Cemetery originally went straight on to the Cochran - Eastman Highway. Also the road between lots 181 and 180 went on ~~on~~ between lots 182 and 179. I believe lot 179 was uncle Warren Harts land, where he and Aunt Lollie were murdered and the negroes who killed them were lynched. (Shot and then burned up) Uncle Harts land was in this area, either lot 180, 181 or 182.

Go now to lot 59

16 This is the Allen place, where Charlie and Martha Davis were living when she and Josie left him and moved into the house where she died.
Lot 59

17 John and Mollie Hart lived here

Lot 33

18 I'm not sure of this, but I think Uncle Shade Lot 62 lived on or owned part of this lot (#62)

19 There was a road from the Chicken Road ~~road~~ about where I mark the --- line. Cousin Rufus Hart lived here
Lot 61

20 The Dandy Kimberly place. - Non Davis -
Son-in-law of Non Davis

21 The Carrie Grimsley. She married two Grimsley Brothers, William T. and two weeks after his death, Sidney ^{son of William} Maule. Uncle Shade & his wife, Aunt Inez, ^{City Margaret Grimsley daughter} near their ^{place} ~~place~~

Robt

Pete

22 Albert Grimsley, her son, lived on lot # 90. She had daughters Irene and Irma. Neither married and Irene is still living

22 My grandparents lived here until they died,
Lot 88

now to lot # 235

23 The Zachariah Davis Cemetery

24 Siddens Cemetery. Uncle Shades first wife
is buried here, (Aunt Cora)

→ Note that it is only a few miles

from the Charlie Davis place (I made a
~~road~~ road 23rd the best time & had to do it over,

25 Smith School ~~house~~

Lot 215

(This may not be the spot
location but it is close) Buck and Charity

In District 22, lot # 58 was the Williams place
~~I don't think of his first name.~~ Steve and Troup
Williams were their sons.

Lot # 63 was known as the Taylor place
Lots 92, 119, 122 were owned by colored people,
Taylors, Woods, and McNairs, Floyd Cobb.

I meant to do this over - better paper,
better writing - but decided to go on
and mail like it is.

Note: Most people did not own an entire
lot of land. Some lots had been divided
into 2 or 3 or 4 farms.

Mom says, Uncle Dave Rivers wife's name was Maranda
